

LFI Interim Scholarship

Mission Statement

The LFI Interim Scholarship originates from the belief that all children innately desire to learn, benefit from a broad and varied education, and yearn for adventures of their own choosing. The fund is designed to facilitate a *beyond-the-ordinary* activity, program, or experience that fosters success and well-being by helping a student live his/her own wild dream while discovering the magic of our fantastic world.

Intention

The LFI Interim Scholarship provides financial help to one or more Homer area youths each year as they seek an *out-of-the-ordinary* activity or experience. This financial help is a gift that carries few requirements by the recipient yet is based in the trust that, as the future unfolds the recipient will remember it fondly and will lend a helping hand to those who follow him/her.

Operating rules

The LFI Interim Scholarship Fund is privately funded and not approved, restricted, or overseen by any government organization. All money gifted is derived from funds donated by private sources for the express purpose of supporting the LFI Interim Scholarship's Mission. Further, all donations received by the LFI Interim Scholarship Fund will ultimately be passed on to selected youth and none will be used for the Fund's operating expenses or salaries. Donations may be held in abeyance for the purpose of growing the fund's resources as determined by the managers.

The LFI Interim Scholarship Fund was initially conceived and funded by [REDACTED] and is managed by them or their designated representatives. All staff members are volunteers and are selected by the managers or their designated representatives.
